## LCI takes first step to commemorate centennial, support global mission for visually impaired

In recognition of our 100th Anniversary in 2017, LCI is leading efforts to mint 400,000 silver dollars. This is the first step to commemorate our centennial - while raising millions to support our global mission areas for the visually impaired, disabled, youth and those affected by disaster. Lions from all over the globe are exploring similar commemorative campaigns locally.

### Lions Clubs International Century of Service Commemorative Coin Act

In June, the "Lions Clubs International Century of Service Commemorative Coin Act," S. 1299/H.R. 2139, was introduced in the U.S. Congress by Senator Jerry Moran, a Lion, and Congressman Peter Roskam thanks to Sandy Spring Lions Club (<http://www.e-clubhouse.org/sites/sandyspringmd/>), District 22-C, who formally proposed this opportunity to publicize our accomplishments and raise funds for the Lions Clubs International Foundation.

Thanks to your efforts to contact our lawmakers, we've reached 28% of our goal in the U.S. House and 21% of our goal in the U.S. Senate. Congratulations to PDG David Orr and Lions of Wyoming, District 15, for securing all Wyoming House and Senate legislators as co-sponsors! Also, congratulations to the Pago Pago Lions Clubs, the Territory of American Samoa, for securing their sole Representative in the House as a co-sponsor.

### Contact Your Legislators Today!

Passage of this legislation depends on securing 290 co-sponsors in the U.S. House of Representatives and 67 co-sponsors in the U.S. Senate. We need Lions from across the United States to contact their federal lawmakers and ask them to co-sponsor the "Lions Clubs International Century of Service Commemorative Coin Act."
